Dear Parents and Guardians:

This past April, the Scotch Plains-Fanwood school budget was defeated forcing cuts and reductions of services and programs in our public schools. Unfortunately, Resolve Community Counseling Center, Inc. was one of the programs eliminated.

Although Resolve is no longer offered in the Scotch Plains-Fanwood public schools, our agency continues to be an integral part of our communities. We are dedicated to providing quality and affordable counseling and educational programs for children, adolescents and adults, couples and families. Resolve is a lifeline for those children and families who need a special kind of support and encouragement.

Our highly accredited staff of psychologists, social workers and licensed professional counselors covers a wide range of concerns. If you need our services, please contact us. Bilingual services are available. We accept most major insurances. The uninsured are served on a sliding scale basis, according to family income. Please be assured that all cases are treated discretely and confidentially.

Resolve will help you help yourself.

Sincerely,

Barbara Roskin
President
